

Eagle River Naz News

From the Pastor's Desk

In the interest of giving you "news" in this newsletter, here are a few things I would like you to be aware of in the upcoming month or so:

and a member of the church.

1). Church Elections: Elections are coming quick. And though sometimes it may seem that elections are merely a formality, please be aware that the board does much to shape the mission and direction of our church. Please prayerfully consider the names on the ballot and ask for God's leading in the upcoming elections. And remember, to vote you must be 13 years old

2). Church annual Meeting: The annual meeting is the time when we outline our actions over the last year and give you our dream, as a board, for the upcoming year. Please join us as we dream together!

3). *Ashes to Fire*: I am really excited about this study and about us participating together

in the journey from Ash Wednesday to Pentecost Sunday. It is a free resource to any who want a copy. The book contains daily scripture readings, a weekly meditation, journaling space and music to accompany the readings. Along with the book if you are interested in participating in or facilitating a group study (on a weeknight or in Sunday school) please let me know. All materials will be provided. As always, I hope that you will join me in prayer for our church as we continue to minister in and to our community!

Loving Jesus, Loving People means:
The Eagle River Church of the Nazarene, as a member of the international Christian community, desires to be a holy people, anchored in God's Word for the purpose of worship, praise and the glorification of our Lord and Savior. We desire to reach the lost for Jesus Christ, establish and nurture new relationships, and assist in the discipling of all Christians.

Alabaster in February!

The Alabaster Offering provides funds for property and buildings around the world. It gives a sense of permanence, the attitude that the Church of the Nazarene intends to "put down roots." Eighty percent of the money is used in world mission areas, and twenty percent goes to multicultural congregations in the United States and Canada. Alabaster funds help provide land for most Work & Witness projects. The entire offering goes toward the construction of churches, schools, medical facilities, and homes for missionaries and national workers.

In February and September, the money is collected. Sometimes a

"march offering" is received with individuals carrying their alabaster boxes to the front of the church and pouring the money into a large offering container.

We will be collecting the alabaster offering on February 27.
