## From the Pastor's Desk

### Loving Jesus, Loving People means:

The Eagle River Church of the Nazarene, as a member of the international Christian community, desires to be a holy people, anchored in God's Word for the purpose of worship, praise and the glorification of our Lord and Savior. We desire to reach the lost for Jesus Christ, establish and nurture new relationships, and assist in the discipling of all Christians.

June is upon us and summer is in full bloom (at least I hope). As I write this the sun is shining and the forecast is for temperatures near the 70's in the next few days. It is a great time to get outside and enjoy this wonderful state in which we live and to enjoy God's good creation.

June is also going to be a busy month for our church full of opportunity for ministry. Specifically, June is the month of Kid's Camp, Kid's Day and V.B.S. As our focus as a church for the last three years has been discipleship, I would like to point out that these events are perfect examples of ways in which we can actively engage in disciple making.

Kid's Camp is a formative time for young men and women. God speaks to kids at camp. Camp is a great way to take an active and hands-on interest in discipleship. Would you consider

being a counselor or CIT at camp?

This year our focus as a church is on discipleship through outreach (the "go" part of the Great Commission). Kid's Day and VBS are incredibly effective ways for us to engage our community with the love of Jesus

Christ. Kid's Day is a way in which we, as a church, can say to our community "we love you." We offer the events of Kid's Day for free

so the community can enjoy with no strings attached. But we need workers. Not just to make the event happen, but to be there to talk with people in our town, that we might get to know them, form relationship with them, and show the love of Christ to them.

VBS is another event that is a gift to our community and a very tangible way to share the love of Christ with Kids. VBS and the Mission to M(eet) A R (isen) S(avior) promises to be an exciting event.

These are all opportunities for us to get involved and to engage in the mission of the church as well as have a great time with members of our community.

Please contact Pastor Mike or Betty Johnson to see how you can be involved in these exciting events!

### World Mission Broadcast

The annual World Mission Broadcast Offering provides resources to reach millions around the world for Christ via broadcast media, especially radio. Received in June each year, the World Mission Broadcast Offering provides funding for program production, air-time, and follow-up materials. Holiness programming, delivered by radio, television and the Internet, reaches around the world with the message of Jesus and his redeeming love and helps to disciple those who respond.

In 2010, World Mission Broadcast is reaching the unreached in:

- 36 Languages
- 72 Countries
- 140 Programs
- 7,012 Broadcasts\*

Your participation is needed to reach the unreached through World Mission Broadcast. In addition to the offering, prayer support of individuals and local churches is vital to this broadcast ministry.

While NMI promotes the World Mission Broadcast Offering for June of each year, contributions may be made at any time by sending a check. Mark check for World Mission Broadcast, make it payable to "General Treasurer, Church of the Nazarene," and

send to:

Global Treasury Services  
Church of the Nazarene  
PO Box 843116  
Kansas City MO 64184-3116

Go to the World Mission Broadcast site to learn more.

\* This figure counts any WMB program that is broadcast on multiple stations throughout a country or region. South America and Asia-Pacific are excellent examples of regions that produce and air programs in this manner. This figure changes frequently as new stations begin airing WMB programs globally.

### Global Day of Prayer June 12, 2011

*"For the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea."*

Habakkuk 2:14.

#### Values

Transformation: people and places by the Holy Spirit  
• Local Church  
Repentance  
Unity  
Relationships: friendship & partnership over organization  
Flexibility  
Cultural Adaptation  
Intergenerational  
Humility / Brokenness  
Creativity

#### Mission

To call Christians from all Nations to:

1. Unite in repentance and prayer, and
2. Work together as God's servants for the blessing and healing of the Nations

*"If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land"*

2 Chron.7: 14.

#### Strategy

Following the example of the first believers who "joined together constantly" in prayer (Acts 1.14) until the outpouring of the Holy Spirit, the Global Day of Prayer is calling Christians from all nations to unite in prayer. A simple three-fold strategy will be implemented each year until 2010 and "BEYOND":

1. 10 Days of day-and-night prayer from Ascension day until the Saturday before Pentecost Sunday.
2. A Global Day of Prayer on Pentecost Sunday
3. 90 Days of Blessing

# Child I.D. Program

New York Life's Child I.D. program is designed to help children in our community learn how to stay safe in the home, at play or wherever they happen to be. It also provides a comfortable way to develop relationships with young families, businesses, schools and non-profit organizations in your community by hosting a safety-oriented event where all children receive a New York Life-issued Child I.D.

### Why Host a Child I.D. Event?

A Child I.D. event encourages family and safety-oriented businesses and organizations to interact with members of the community in a relaxed, fun environment. When you host a Child I.D. event, you are sending a message to your community that your business or organization cares.

Hosting a Child I.D. event can also open the door for unique friendships and interactions between you and other businesses and organizations. In addition, local TV and radio stations often cover a Child I.D. event, providing favorable media coverage for your business or organization.

### Benefit to Parent/Guardian

Having a Child I.D. will give the parent/guardian the peace of mind knowing that should anything ever happen to their child, they will have an I.D. with vital information to distribute to the local authorities.

### Potential Partners and Activities

Potential partner organizations at a Child I.D. event include local Fire and Police Departments, Boy and Girl Scout troops, hospitals and medical specialists, youth and senior centers, food pantries, athletic clubs, tutoring services, The Red Cross, Goodwill and the Chamber of Commerce.

Child I.D.s are created using the EZ Child I.D. System, the nation's most comprehensive digital fingerprinting child identification system. Created with help from the National CHIP foundation and law enforcement officials, this system ensures that the digital fingerprints meet industry standards by capturing all vital information required by the Amber Alert system.

**In only 3 to 5 minutes, a Child I.D. card is printed for each parent or guardian free of charge. Child I.D. cards feature a child's photo, fingerprints, contact information and other pertinent information needed by the police in case of an emergency.**

Please note that children must be accompanied by a parent or legal guardian. No child's information or pictures are electronically retained. All data is automatically erased upon printing the Child I.D. The only information New York Life keeps is a parent or guardian's contact information, and only if permission has been granted for an Agent to contact them with more information about New York Life.

### Why Partner with New York Life

Helping to protect families is at the heart of what we do. We are committed to making a difference in communities across the country. Through our sponsorships of Child I.D. events, New York Life continues our mission of serve the needs of local families and building relationships on a favorable basis.
