

Attention: Pastors, Youth Pastors, NYI Presidents, Youth Leaders, Teens and Parents!

Please note the marked increase in the late registration fee. We have been forced to make this change due to the large number of late registrations that come in the first day of camp.

This makes it very challenging to have enough sponsors, room, food, t-shirts, etc. when we have no idea how many teens are going to show up. Last year, our numbers nearly doubled for Senior High Camp with the registrations received on the opening day.

Please help us make this the most enjoyable camp for ALL involved! If you have any comments or suggestions, please contact me via email:

kshorselover@hotmail.com

Thank you so much for your help with this matter!

Rick has traveled around the world bringing the very Great Good News of Jesus to all who will listen. He will use amazing feats of strength, story-telling, and dramas to interact with you as he communicates God's message. Rick has been married to his wife, Sonya, for fifteen years. He is completely sold out to doing God's will in his life and he will challenge you to step up to what God is calling you to do. His messages are very Biblical, exciting and completely challenging. You will be ready to change your world after a week with Rick! Rick is just a saved man of God who cannot stop telling people about all the things Jesus has done for him. He knows what it means to be in sin and he knows what it means to be set free from it. God's work is what Risk is all about!
