40/40 Momentum Teams

**PERU 2011-14 &
PARAGUAY 2011-12**

Our 40/40 missionaries work tirelessly to plant churches. Momentum Teams come at critical times in the church planting process to provide impact assistance, a burst of energy and needed supplies. These small strike-teams travel to the church plant sites to work hand in hand with the 40/40s on the ground to put on large group events, discipleship, street campaigns, medical clinics, community workshops and more.
